Sophie's Hope Foundation – CureGSD1b

The Club at New Seabury – Mashpee, MA

Monday July 25, 2022 – 10AM Shotgun

Sophie's Hope Foundation's mission is to help find better treatment and ultimately a cure for Glycogen Storage Disease Type 1b, by providing critical funding and coordination for research. The foundation was started by Jamas and Margot LaFreniere after their daughter, Sophie, was diagnosed in September of 2019 at the age of 2 with GSD 1b, which is an incredibly rare genetic disease that has no cure and is life threatening. The foundation is based on Hopkinton, MA and is a fully registered 501c3 charitable organization (Tax ID is 84-5014314).

This year's event will once again take place once at The Club at New Seabury, which includes a world class setting on the ocean, two beautiful courses (Ocean and Dunes), and top-notch tournament staff. All sponsorships and 4somes include carts, breakfast, lunch (provided by Jersey Mike's Subs), player gifts, awards, contest prizes, and an invite to the after party at the Popponesset Inn on the beach. The after party will include a raw bar, appetizers, cash bar, and awards and prizes. The event also includes an incredible Silent Auction. To learn more about GSD1b and Sophie's Hope Foundation please visit our website at www.sophieshopefoundation.org or find us on Facebook, Instagram, and LinkedIn. Thank you for helping us further our mission to cure Sophie and all the children with GSD1b!
